## Flex Light

Clip a light where ever you need it! This light goes in more places than you can imagine. Use it for those late night barbecues, working in dark areas, night fishing, on your work bench, reading on car trips, and anywhere else you can think of! Features a flexible 18" neck, with a convenient on/off switch on the base.

To use, simply place 2 AA batteries in the unit and position it where you need it to shine.
