

NU-2811

Chemical Storage Table with Straight Bar Towel Rack

Made from 100% Furniture Grade PVC, with your choice of both base and top colors.

Assembly:

1. Attach pipe together by applying PVC cement to insert coupling, and place end cap atop pipe.
2. Slide towel bars through holes located on pipe, and place caps on each end.
3. Apply PVC cement along entire perimeter of table-top hole.
4. Insert pipe into table-top hole until end of pipe fits flush with bottom of table top.
