## **Horizontal Towel Tree with Weighted Base**

Made from 100% Furniture Grade PVC. Stands 54 inches tall with three 24" inch towel bars. Assembles in minutes with no tools. Made durable for year of use.

### **Assembly:**

1. Attach pipe together with insert coupling
2. Slide towel bars through holes, secure caps on each end, and atop the pipe.
3. To stabilize remove plug located on top of base, and fill with sand or water. Reinsert base plug.
4. Insert attachable fitting located underneath base, into top of base. Connect both lengths of pipe and place pipe into base fitting. Adjust to desired height and tighten ring on fitting.
