

NU-2911

Chemical Storage Table with Curl Towel Rack

Made from 100% Furniture Grade PVC, with your choice of base and top colors

Assembly

1. Attach pipe together by applying PVC cement to insert coupling, and place end cap atop pipe
2. Secure towel curls with enclosed screws and snap caps
3. Apply PVC cement along entire perimeter of table-top hole
4. Insert pipe into table-top hole until end of pipe fits flush with bottom of table top
